

**REMARKS**

This amendment, as required by 37 C.F.R. § 1.78(a)(5)(i), is to add a related cases paragraph reciting our claim to domestic priority of provisional application 60/393,710 filed on July 3, 2002, to the specification. This amendment is a correction of formal matters that are needed for proper protection of the invention and require no substantial amount of additional work on the part of the PTO. The issue fee has not yet been paid and is due by September 29, 2006.

Although this application was filed after November 29, 2000, no fee or petition is require to correct the specification (37 C.F.R. § 1.78(a)(5)((ii)(A)) because the claim of domestic priority to the provisional application 60/393,710 filed on July 3, 2002, is on the Declaration and Power of Attorney, the filing receipt, the published application no. 2005-0014745 and acknowledged by the Examiner in the official action mailed January 5, 2006. However, if any fees are required, Applicant hereby authorizes the Commissioner to charge deposit account 10-0750 for any such amount.

Applicant respectfully requests that this Amendment be entered in this case.

Respectfully submitted,

By: /John W. Harbour/
